## What is Blackrock Hall Primary Care Centre?

Blackrock Hall Primary Care Centre is one of Ireland's first and largest primary care centres. Our practice will be moving there permanently, joining a host of other healthcare services/practitioners such as Dentistry, Physiotherapy, Nutrition, Pharmacy and many more.

Blackrock Hall Primary Care Centre provides an improved environment and level of medical care for everyone, bringing earlier health interventions and managing rehabilitation in the community.

## Blackrock Hall Primary Care Centre has the following primary care services

- |                           |                            |
|---------------------------|----------------------------|
| General Practice          | Audiology                  |
| Dentistry                 | Dietetics & Nutrition      |
| Orthodontistry            | Chiropody / Podiatry       |
| Physiotherapy             | Psychotherapy & Counseling |
| Osteopathy                | Home Care                  |
| Occupational Therapy      | Home Nursing               |
| Optometry                 | Diagnostics                |

**Blackrock Hall Primary Care Centre**, located above Aldi on Blackrock Avenue, off Skehard Road, has ample free parking and can also be reached by bus on routes 2, 10 and 19.

## What is happening now?

The Melbourne Clinic will close permanently on the evening of Thursday March 31st 2011.

I will reopen for practice as usual in Blackrock Hall Primary Care Centre as Touchstone Practice Osteopathy on the morning of April 4th 2011.

The Centre is easily accessible for people with wheelchairs and buggies, has an on site coffee shop, healthfood store and pharmacy as well as a range of professional primary care services.
